

BECOME MORE CASE STUDY

Design and Shift Your Culture

An organization's culture sets expectations throughout the organization, and fuels behavior.

The Challenge

- Improve overall performance
- Increase employee attraction and retention
- Increase employee satisfaction and well-being
- Enhance trust and cooperation
- Reduce conflict
- Improve communication

The Approach

BecomeMore (BMG) delivers perspectives that inspire people to look at their organization with fresh eyes and discover opportunities to achieve a positive culture.

The Results

After working with BecomeMore, employees are more engaged, have an aligned mindset, and communication is better across the organization. Their culture becomes the backbone of their organization and contributes to long-term success.

↑15% Increase in employee engagement

95% of surveyed clients said that BMG has delivered results that have transformed their organization's culture

What Our Clients are Saying About BecomeMore

"We went down this path with BecomeMore because we wanted to improve the lives of our associates. Associate satisfaction has been a huge benefit for us."

Senior Director, Continuous Improvement at a Financial Solutions

"There has definitely been a change in the mindset of our people. When you start to train people to improve the methodologies, everyone starts to understand each other better. I think this is very important when you want to change the culture of an organization and you want everyone to be focused on improvement."

Quality Manager at a Manufacturing Organization

"I feel more valued and have a greater ability to share my views."

Director of Communication Services at a Healthcare Organization

"We partnered with BecomeMore for Yellow, Green, and Black Belt training. The training is excellent and we will continue working with them."
